2012 ESTATE PINOT NOIR

Conservation Hill - Lincoln

This is the first release of a Pinot Noir made from our own grapes and we are quite proud of it. Fungal disease is the primary challenge to growing Pinot here and, in the past, has forced us to harvest earlier than we would like. This Pinot, while light in color and fruit, has a distinct structural profile which makes it remarkable and an outstanding wine to pair with food. Offered at a special introductory price.
